

**BLM 3 Language Phrase Creation Choices** Name(s): \_\_\_\_\_

- To create one bar of 9-8 time, how many boxes will you need? \_\_\_\_\_
- Choose the language phrases in those boxes, and write them down below. Write the notes that match the language above.

- 
- Now using the language phrases create two bars of 9-8 time. You may use language that is not on the chart- just make sure it fits the rhythms given. Use one line per three boxes, so one bar fits on one line.
