SHOWCASE CONCERT

SULTANS OF STRING

JUNO Award nominees Sultans of String thrill their audiences with their global sonic tapestry of Spanish Flamenco, Arabic folk, Cuban rhythms, and Gypsy-jazz, celebrating musical fusion and human creativity with warmth and virtuosity.

DEREK MILLER

With his unique take on roots rock, and soul-stirring blues, singer/songwriter/guitarist Derek Miller is a force of musical nature.

Miller has been rewarded for his talent many times including 2 Juno Awards, 2 Aboriginal People's Choice Awards, and 4 Canadian Aboriginal Music Awards.

TORONTO NORTHERN LIGHTS

Toronto Northern Lights is a very successful large barbershop ensemble with a number of quartets within the organization. TNL quartets are routinely the best in Ontario and often in Canada.

UNIVERSITY OF TORONTO WIND ENSEMBLE

The University of Toronto Wind Ensemble is made up of music majors from BMUS and MMUS programs. Students join the ensemble through screened auditions in the first week of classes, and we usually rehearse six hours per week. We operate on a traditional Wind Ensemble model: one player per part with occasional doubling in clarinets and tubas.
