The whole essence of learning lines is to forget them so you can

Colouring the Text

Paint with the colours of your voice

*Have you ever felt like
nobody was there?*

*Well, let that lonely
feeling wash away.*

*Have you ever felt forgotten
in the middle of nowhere?*

*Maybe there's a reason to
believe you'll be okay...*

*Have you ever felt like
you could disappear?*

*'Cause when you don't feel
strong enough to stand,*

*Like you could fall,
and no one would hear?*

*You can reach,
reach out your hand.*

You are not alone
You are not alone
You are not alone
You are not alone

You are not alone (*You are not alone*)
You are not alone (*You are not alone*)

You are not
You are not alone (*You are not alone*)

Even when the dark
comes crashin' through
When you need someone to carry you
When you're broken on the ground...
You will be found!

So let the sun come streaming in
'Cause you'll reach up
and you'll rise again

If you only look around

You will be found
(*Even when the dark comes crashin' through*)

You will be found
(*When you need someone to carry you*)

You will be found
You will be found

You will be found.

*Each canvas is ready to be painted,
to be moulded, to be coloured with intent;
but beyond the canvas, it is the
artist with intentional purpose
that determines how they use
their talents to create a masterpiece.*
